PEDDIREDDY JAYADEEP REDDY

SQL

OBJECTIVE

Motivated second-year Computer Science Engineering student with a solid foundation in programming languages and a passion for problem-solving. Seeking internship opportunities to apply and further develop technical skills, while actively contributing to a forward-thinking team. Committed to continuous learning and dedicated to achieving excellence in the field of computer science.

SKILLS

• C++

Java

- MongoDB
- JavaScript (including React.js and Node.js

- C Programming
- Python
- Flutter

PROJECTS

Dice Application (React.js)

- Implemented an interactive web-based dice game using React.js.
- Users can roll virtual dice, and the application generates random numbers,
- mimicking the experience of rolling physical dice.

Resturant Application (MERN)

- Developed a full-stack restaurant application using the MERN stack.
- Enabled users to select restaurants, explore menus, and place orders with a user-friendly interface.
- Implemented cart management and checkout page
- Designed and integrated an admin panel for restaurant owners to manage menus and view orders.
- Technologies used: MongoDB, Express.js, React.js, Node.js.

Student Database Management Application (Flutter)

- Developed a mobile app using Flutter and Firebase, facilitating efficient student database management.
- Administrators, students, and faculty members can access real-time data, including personal information, academic records, and attendance.
- Administration has been with separate login where they can edit the data of the student and also can push the real time notifications
 for the students and faculty.

Employee Management System - EMS (MERN)

- Led team in developing a EMS website.
- Contributed in Designing RESTful APIs for GET, POST, DELETE, and PUT operations.
- Collaborated closely with frontend team for seamless integration.
- Conducted code reviews, mentored team, and met project milestones.
- Backend technologies used MongoDB, Express.js, Node.js.

EDUCATION

Diploma in Computer Science and Technology

Sri Venkateswara Government Polytechnic Tirupati, Andhra Pradesh 2020–2023

Bachelor of Technology in Computer Science and Engineering

Sri Venkateswara University (SVU) college of Engineering Tirupati, Andhra Pradesh 2023 - PRESENT

INTENSHIPS

Web developer Intern
